April 26, 2019

On Saturday, April 27, 2019 between the hours of 10am and 2pm, the Houma Police Department in conjunction with the U.S. Drug Enforcement Administration will be participating in a drug take back initiative. TPCG President Gordon E. Dove and HPD are encouraging the community to bring any old, unused medication to the police department, which is located at 500 Honduras Street, place it in a container, so it can be disposed of properly. No questions asked!

This initiative is a way to reduce the misuse of prescribed medication. Often, old medication that lingers in a residence are susceptible of being ingested, by the wrong person, which can cause severe problems.

These initiatives will continue to take place throughout our community as we collaborate to rid our neighborhoods of issues that plague them. The Houma Police Department and the DEA welcomes your support during this initiative. Please visit www.DEATakeBack.com for a collection site near you.

Anyone with information is encouraged to submit a tip anonymously through Crime Stoppers Bayou Region by phone at 1-800-743-7433 or online at www.crimestoppersbr.org. Tipsters could be eligible for a reward of up to \$1,000 in cash if the information leads to an arrest.
