Parish President Reminds Residents of the Statewide “Stay at Home” Order

Parish President Gordon Dove would like to remind residents that it is still important to “Stay at Home” and only leave for essential items, in order to help reduce the spread of this virus. - Wash your hands with soap and water for at least 20 seconds.
- Cover your mouth or nose with a tissue when you cough or sneeze, or cough and sneeze into the crease of your elbow.
- Clean frequently touched surfaces with regular household cleaning sprays or wipes.

Once the brief screening process is complete you will be asked to pull around to Magnolia Street to a section clearly marked in front of the food bank. Once in that section, you will simply have to unlatch your trunk, and someone will load the food items in your trunk and close it. Then you
