## BOIL WATER ADVISORY

A Boil Water Advisory will be issued for all customers, 40, located on Wilson Ave from and including, 601 to 709 beginning at 8 am on Tuesday, October 12, 2021. We have included a map of the affected area for your use and verification. We will be turning off the water, pressure will be below acceptable level, to replace a faulty valve that was discovered on September 13, 2021, while making an emergency repair to stop a main line water leak caused during Hurricane Ida. We expect to have the repairs completed by 5 pm allowing for samples to be taken and processed with possible lifting on Wednesday, October 13, 2021, late afternoon? Please like and share us on Facebook to follow this BWA.
