To All Bidders,

This letter is considered Addendum #2 for the above reference bid. Any changes, deletions, and/or additions made by addenda shall take precedence over information in the original document. This addendum is to inform you of the following:

- Page 19 number 6. Should read as follows:
  - Invoices will be made for the item(s) ordered at the prices per gallon adjusted daily with OPIS in effect at "time out" on bill of lading, plus markup, plus applicable taxes.
- Page 21; number 14. Should read as follows:
  - Fuel cost will be determined based on the daily OPIS price published from the terminal used to service the Parish's facility.

If you have already submitted your bid through Central Auction House (CAH), you **must return to your submittal** to acknowledge this addendum. If you have not submitted your bid, you will be prompted to acknowledge any addenda during the submittal process. Failure by a Bidder to acknowledge each individual addendum shall render your company's bid as non-responsive. If you should have any questions or require additional information, do not hesitate to contact me 985-580-7272 or via email at [gbergeron@tpcg.org](mailto:gbergeron@tpcg.org).

Sincerely,
