

Terrebonne Parish Consolidated Government Public Meetings

Hurricane Ida Recovery Priorities for Economic
Revitalization and Infrastructure

Monday, October 30, 2023 at 5:30 PM
Dumas Auditorium, 301 W. Tunnel Blvd

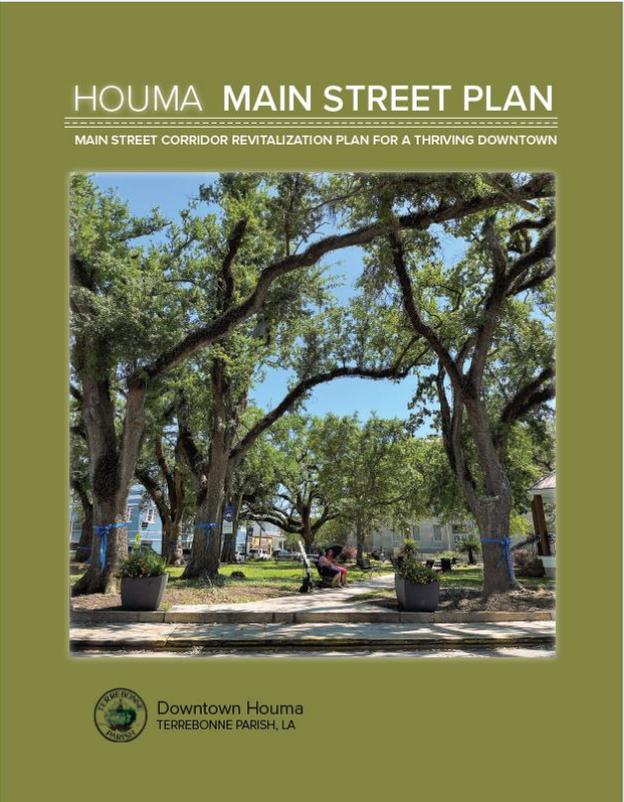

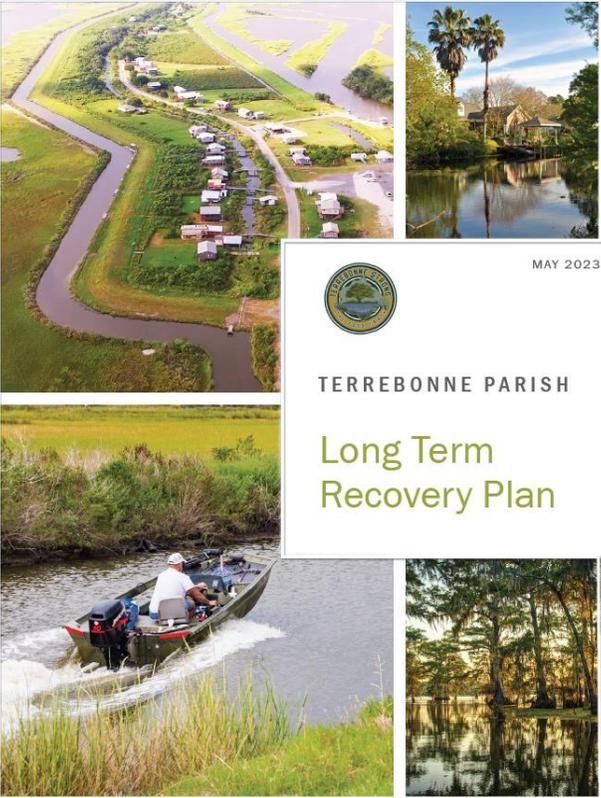

Purpose

- ❖ Gather citizen input on priority areas in which to spend the **\$41.4 million** allocation in ***HUD Community Development Block Grant-Disaster Recovery Funds*** (CDBG-DR) available to the Parish *through the State of Louisiana* as a result of the impacts from Hurricane Ida and the declared disaster events in 2020 and 2021.
- ❖ Provide meaningful engagement of impacted communities, low-to-moderate income (LMI) residents, and residents of Disadvantaged Communities in the planning and development of projects under 2 specific programs to be administered by Terrebonne Parish:
 - 1. Hometown Revitalization Program**
 - 2. Resilient Communities Infrastructure Program.**

****Funds are not eligible for homeowner repairs, reconstruction or elevations.***

Previous Ida Recovery Planning

Priorities Identified

Long Term Recovery Plan

Avoid Disruptions to Seafood industry
Fortify Public Buildings Essential to Services
Water and Sewer Systems Upgrades
Coastal Restoration and Habitat Protection
Unsafe Roadways and Intersections

Houma Main Street Plan

Vacant Properties
Volume and Speed of Traffic on Main Street
Neglected Bayou
Lack of Commercial Amenities
Very few housing options

RESTORE LA: State Recovery Programs

Hometown Revitalization Program \$125 M

INFRASTRUCTURE PROGRAMS

Nonfederal Share Match Program \$240.8 M

HGMP Global Match Program \$77.3 M

Resilient Communities Infrastructure Program \$100 M

Intent

Hometown Revitalization Program: \$24,748,072

Purpose: To encourage new economic revitalization opportunities for LA communities while supporting the crucial recovery of the state's commercial areas.

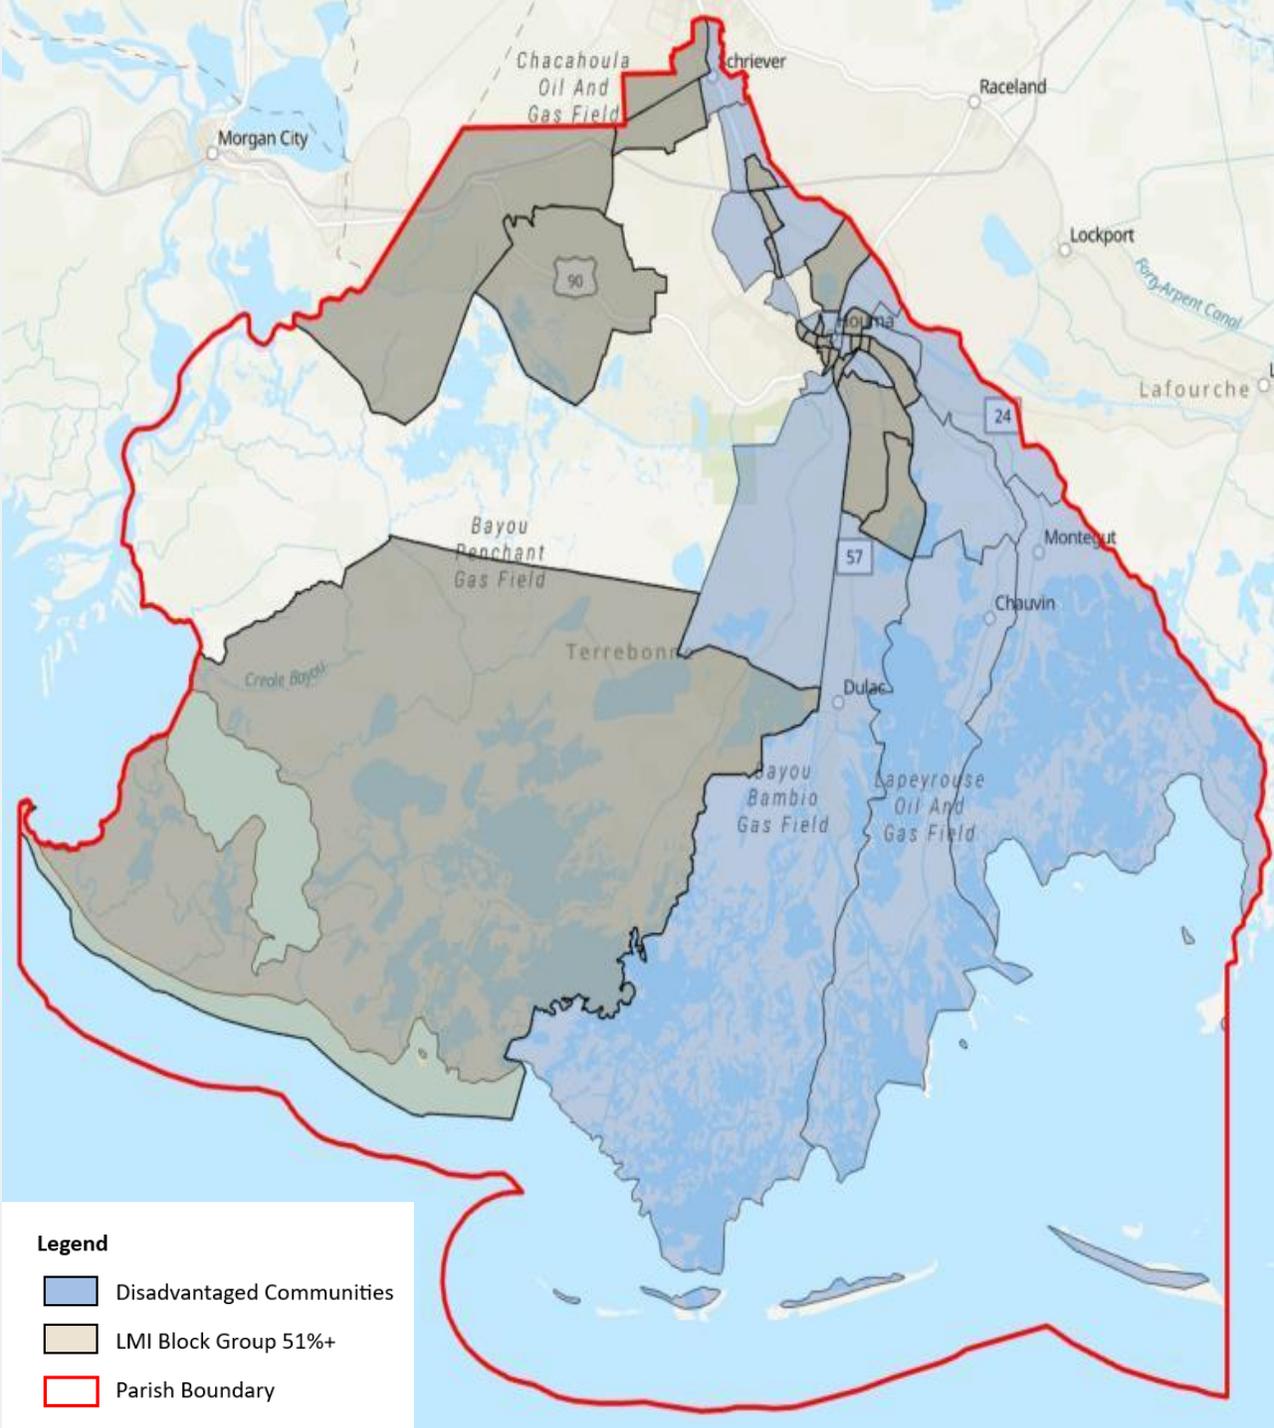

- Create/retain jobs and to allow residents to have access to the products and services they need within their community.
- Respond to communities' most urgent rebuilding needs and assist in identifying long-term and innovative solutions to strengthen economic development within local communities.
- All funds must be used on projects that will benefit low to moderate income (LMI) areas/individuals and have a tie to the disaster and satisfy an unmet need.

Resilient Communities Infrastructure Program: \$16,675,420

Purpose: Aims to address remaining unmet needs by supporting more resilient community infrastructure and planning.

- All funds must be used on projects that will benefit low to moderate income (LMI) areas/individuals and tie to the disaster.
- Serve disadvantage communities that were economically distressed prior to the storm events.

Requirements

- Documented tie to the storm event
- Must be located within the Parishes/areas that were presidentially declared disaster areas
- National objective must be to benefit low-to-moderate income (LMI) persons
- 40% of allocation must be spent in a designated “Disadvantaged Community”
- Must meet one of the HUD Eligible Activities
 - HRP: Section 105(a) 8, 12, 14, 15, 17, 19, 21, 22
 - RCIP: Section 105(a) 1-5, 7-9, 11, 12, 16
